DeWar Teams----- Season 1938

Due to changes in rules and schedules the 1938 season should be very interesting.

Contrary to preceding years all teams of both divisions will shoot at the same range at the same time. This will surely make for close competition and the team standings will be known at the end of the match; then the secretary's work will be half over.

Teams which have designated that they will participate are as follows:

Arlington	# 1	Marlboro	# 1
Arlington	# 2	Marlboro	# 2
Concord	# 1	Melrose	# 1
Lexington	# 1	Melrose	# 2
Lexington	# 2	Reading	# 1

Lexington may have a # 3 team and Reading # 2 but the more the merrier. Any Club which is a member of the Middlesex League of Sportsmen's Clubs Inc., may enter teams and we would like to have some of the other Clubs come back and shoot again.

As most of the Clubs are familiar with range locations, these will not be reported at this time.

Dates of matches and places of competition are as follows:

May 22nd -- Arlington	9:00	A. M.
June 5th -- Marlboro	2:00	P. M. (Special)
June 12th-- Reading	9:00	A. M.
June 26th-- Lexington	9:00	A. M.
July 10th-- Arlington	9:00	A. M.
July 17th-- Lexington	9:00	A. M.

November 22nd 1938

TO THE PARTICIPATING CLUBS IN THE MIDDLESEX COUNTY LEAGUE OUTING:

At the November 17th meeting of the League, General Chairman Hall asked for authority to make distribution of the League Outing Dividend Checks.

General Chairman Hall was authorized to make distribution of these checks at his pleasure, ~~club's-check.~~

Considering the postponement of the first Sunday on account of rain- the hurricane during the week of the second Sunday and road conditions on that Sunday, the Outing Committee is well pleased with the efforts of the Clubs, even though the advance ticket sale was not up to standard:

Enclosed is your check, the amount of which was arrived at as follows:

Club: Mass R A
Secretary: Drumgoole
